Presenting the Masterpieces

Rembrandt Lamps present on the following pages an outstanding series of lamps each with the tradition of elegance that has been distinctive with Rembrandt for over forty years.

There's a Rembrandt Masterpiece for every taste . . . in a style that's compatible with every home. Each is a masterpiece of design and craftsmanship . . . hand finished with meticulous care by masters of the art, who shade and polish each lamp until it gleams with lasting beauty.

Rembrandt designers incorporate the latest style trends in a beautiful lamp selection of wide variety. Exotic and exciting new metal finishes . . . luxuriously antiqued woods . . . glazed ceramics in a blaze of colors or a subtle blend . . . gleaming cut crystal and glasses of every hue. These are presented here from Rembrandt . . . masters of lamp designs for gracious living. It is with pride that we invite you to choose from among the many enchanting lamp designs that make up the large selection of Rembrandt Masterpiece Lamps.
